

# Lions District 201Q4 Youth Insearch Camp Bundaberg 12<sup>th</sup> -14<sup>th</sup> June 2026

The second camp is now completed. The Lions District 201Q4 Youth Insearch Camp is a partnered project with Youth Insearch for 4 camps a year. Both organizations incur costs. For this camp Lions District 201Q4 look after the venue, food and cooking costs including kitchen volunteers as well as some welfare aspects such as providing bedding for Youth. The volunteering for Lions continues all year with preparation for the camps. Expected numbers for camp are under constant review and are proving difficult to manage. The Camp runs from Friday afternoon to Sunday afternoon. Lions Youth Insearch Chairman Warren Gavin handled the administration but was unable to attend due to health issues. Glen and Bronwyn attended from the Cooroy/Pomona Lions Club, and Alan from Bundaberg Lions Club. Alan took care of order pickups and equipment delivery and return with the help of Wayne (Wolfman) from Bundaberg Lions Club.

There were 34 Youth Insearch plus Lions at the Lions 201Q4 Youth Insearch Weekend. Lions District 201Q4 also provided 10 Love Rugs which are supplied by Lions and other volunteers. A Love Rug is presented to each new participant by the Youth Insearch Leaders. Thanks to Glen and Bronwyn meals were held to our high standard and all went well. We need to remember some these participants may not eat this well at home. Lions hope to make these camps a good memory. It looks like we achieved this by the thanks card.

Volunteer accommodation does cost the project as we pay per head on the total attendees. There is generally at least 2 or 3 old hand volunteer Lions available but Lion members from all clubs are encouraged to volunteer. There is not room for more than a total of 5 volunteers at one time but some could be Lions volunteers just for the day. This could be on any of the 3 days. Friday we take the equipment and food out at 2PM which generally takes more than 1 vehicle. We then unload and start preparations for dinner. Saturday there is the 3 main meals plus morning and afternoon teas. Sunday there is breakfast, morning tea and lunch. The clean up and pack up is usually done by 2PM. Then the unloading at the Lions Shed in Bundaberg is completed by 3PM. If anyone can help or wants more information contact Alan and he will coordinate with Warren the District Youth Insearch Chairman. A list of possible volunteers is being compiled.

A detailed hand book on what Lions volunteers can expect at the Lions Youth Insearch Camp is being written and will soon be available for anyone that is interested. Web pages on the Lions 201Q4 District page and Bundaberg Lions Club have been updated with information. There also have been numerous posts on the District 201Q4 Facebook. A trifold Lions 201Q4 Youth Insearch brochure is also available for Lions members.
